

Make Your Own: Otter Mask

ASSEMBLE SUPPLIES

For this activity you will need:

- **otter mask template (print out)**
- **colored pencils, crayons, or markers**
- **scissors**
- **string or yarn**
- **tape**
- **hole punch**

STEP 1:

Color as you see fit. Most otters are dark brown, but you can make this one whatever color you like! Don't forget to add a nose (otters have a GREAT sense of smell) and whiskers to help find something to eat!

STEP 2:

Cut along the solid lines (but not the X's). Don't forget the eyes!

STEP 3:

Using a hole punch, make a hole at the X's for the string to go through. You may want to reinforce the holes with tape!

STEP 4:

Tie around your head and have a swimmingly good time!
